

ArtWorks at Waring School

A Summer Arts Experience & More

July 5-July 29
Mon-Fri, 9:00-4:00
Children ages 5-14*

A T W A R I N G

35 STANDLEY ST., BEVERLY, MA

ArtWorks at Waring is a long-established summer experience combining learning and fun. In the morning, children have the chance to work in depth in one of five "MAJORS": Video, Theater, Visual Arts, Magic, and Music Theater. *For kids aged 5-7 who have completed at least one year of kindergarten, we have a half-day program—ArtWorks Junior. In the afternoon, there are elective workshops to choose from: basketball, hip-hop dance, jewelry-making, yoga, acting, chess, games, and other activities. We end the day with recreation and whole-group activities. On the evening of July 28, there will be a musical theater performance open to all, and on July 29 there will be presentations of what we have created together.

ARTWORKS!

ArtWorks: Majors

Theater—Be part of a theater company, learning theater skills and stagecraft. Put on a play at the end. Last year, students wrote and produced their own script.

Music Theater—ArtWorks continues its musical theater success. Beverly will be alive with the sound of music as we prepare and perform a great Broadway musical. For first timers or old pros. Join in and be part of a fun ArtWorks tradition (there is an extra \$30 fee for scripts).

Magic—Learn the fundamentals of magic: Palming, Misdirection, Sleight of Hand, and Presentation. We will use a variety of materials from coins to cards and silk to ropes for both close-up and stage effects (there is a \$30 fee for additional materials that students will keep).

Visual Arts—Try all sorts of media: painting, drawing, sculpture, collage, mask-making. Work on your own and on group projects such as murals and camp installations. Visual Arts Majors are known for their wonderful exhibitions at the end of camp and their help in working on the Musical Theater set.

Video—Be part of a video team that writes, acts in, films, and edits its own series of video pieces. Prior video experience is not necessary but will be helpful (as will your own camera). At the end of ArtWorks, there will be a showing of movies we have made. Limited enrollment.

ArtWorks Junior

For children ages 5-7 who have completed at least one year of kindergarten, a hands-on morning program including creative art, science and nature, music, puppetry, and story-telling. Take field trips & investigate the Waring campus. Limited enrollment for either entire month or first two weeks or last two weeks.

Recreation

Each day there are two recreation periods, one after lunch, the other after electives. Recreation choices are either "loud" or "quiet." And when it is very hot, we add "wet."

Electives

Children choose two electives for the duration of ArtWorks. Choices will be mailed out in early May.
